2,604 PROGRAMS OF STUDY
have been developed or redesigned to help adults earn skills that lead to family-supporting jobs. Program innovations include:

INDUSTRY ALIGNED CURRICULUM
developed with over 2,500 employer partners, many with stackable credentials.

ACCELERATED LEARNING STRATEGIES
including credit for prior learning, competency-based models, and innovative models to increase access to credentials for underprepared learners.

HANDS-ON EXPERIENCE
including on-the-job training, internships, and registered apprenticeships.

TAACCCT builds college capacity
to provide innovative, industry-aligned programs in five major industries.
